

Internship Assignment HRDS Professional Capstone Thesis

The purpose of the Professional Capstone Thesis is to give students a framework to summarize what they learned and observed at the internship and to connect their future goals and endeavors with their internship and academic experience. If students run into difficulties completing a part of the Professional Capstone Thesis, they are encouraged to propose a creative or original solution when confronted with this challenge and to contact the internship office (internship@apedu) and their assigned faculty reader for

in which students specifically connect the knowledge and skills acquired during the MSc degree to their experience in the workplace

The Professional Capstone Thesis integrates three important aspects of the HRDS master experience. First, it should highlight what students have learned in the many encounters they have had with the : these include the internship but also the Data Industry Roundtable and the exchanges with professionals invited to courses or public lectures. Second, as a , it should demonstrate the knowledge and skills students have gained in their courses through the discussion of opportunities, challenges and issues related to human rights and data science in a real world setting. Third, as a , it should demonstrate stud
